LATIN FIGHT SONG

On the Field of Many Colors
Latin's banners fly
Cheer on,
 cheer like volley thunder
Echoes to the sky
See the Latin team advancing
Gaining more and more
So we'll fight, fight, fight
With all our might
Dear Old Latin evermore.

Warmest Thanksgiving wishes to the Boston Latin and English High School families!

Thanksgiving marks the beginning of the season of celebration that carries us into the new year. Holidays are a wonderful time to gather with family and friends to give thanks for the opportunities life has afforded us.

Of course, Thanksgiving would not be Thanksgiving without the traditional Latin/English football game. This year we celebrate the 122nd meeting of our schools which both enjoy significant positions in the history of public education in this country.

Happy Thanksgiving to Head Master Jose Duarte and the entire English High School community as we continue this historic rivalry with today's athletic contest. This tradition brings out the best in both schools, and we will enjoy a game played with great effort and school spirit.

Thank you to the faculty, students, coaches, families and alumni who support our Boston Latin School programs on a daily basis. We congratulate the football team, the football band, the step squad and the cheerleaders for a great season!

Go Wolfpack!

José P. Duarte

As sure as the air turns crisp and the leaves change color, certain we must be that it is time again for the longest running rivalry in high school athletics. Welcome once more to the Gridiron Classic, the football rivalry between two of America's most honored institutions of learning – The English High School and The Boston Latin School. This classic is a tradition that celebrates the spirit of athletic competition, sportsmanship, and academic excellence.

As this is a time to give thanks, I would like to extend my warmest and deepest appreciation to the students, staff and alumni that I feel so privileged to serve. Please join me in thanking our football team and coaching staff led by coach Parker for their dedication and hard work on behalf of the school. Though victory has eluded us in these past few years, I believe this is the year the tide will turn. It is a time for change.

Finally, I send my best wishes to Headmaster Mooney Teta and the entire Boston Latin School community and congratulate them on their continued academic success.

Best wishes to you and your loved ones for a wonderful Thanksgiving.
